EDUCATION

Savannah College of Art and Design (SCAD) — Savannah, GA

Bachelor of Fine Arts in Applied Artificial Intelligence — Expected May 2029

Honors: Dean's List | **Relevant Coursework:** Survey of AI Applications, Creative Computing, Design Thinking & Process, Business Fundamentals, Foundations of Story.

Kean University — Union, NJ

Dual Enrollment Scholar (32 College Credits Completed) — Sept. 2024 – June 2025

Coursework Focus: Statistics, Research & Technology, Music Theory, College Composition, Critical Issues in Health.

TECHNICAL & CREATIVE SKILLS

AI & Prototyping:	Human-AI Interaction (HAI) · Explainable AI (XAI) · Human-in-the-Loop Systems · LLM Integration · Rapid Prototyping · User Research
Design & UX/UI:	Figma · Wireframing · User Journey Mapping · Visual Storytelling · Design Systems · Information Architecture
Development & Tools:	Git · GitHub · App/Web Prototyping · Vercel · Python · HTML/CSS
Audio & Media:	Ableton Live · Audio Mixing & Sound Balancing · Studio Signal Routing · Pre-Production Arrangement

PROFESSIONAL & INDUSTRY EXPERIENCE

DAYBREAK x SCADpro — Savannah, GA

Product Research Lead (Sponsored AI Industry Course) — Jan. 2026 – Mar. 2026

- Directed applied research on human-AI interaction within enterprise supply chain planning to identify core factors influencing trust, transparency, and system adoption.
- Conducted stakeholder interviews and competitive analyses to map planner workflows and identify critical breakdowns in user understanding of AI recommendations.
- Co-designed an intelligent conversational web interface leveraging Explainable AI (XAI) and human-in-the-loop design patterns to synthesize user expertise with algorithmic insights.
- Synthesized research findings into a technical process book and workflow model, delivering an executive final presentation to Daybreak leadership on system viability.

GREENHOUSE RECORDING STUDIO — Lyndhurst, NJ

Production & Audio Engineering Intern — Sept. 2024 – June 2025

- Executed multitrack mixing, audio level balancing, and studio signal routing to produce polished commercial-grade audio deliverables.
- Collaborated with artists and producers during pre-production to optimize song structure, tempo, key center, and instrumentation choices.
- Managed daily studio operations, session scheduling, equipment configuration, and client relations to ensure seamless studio workflow.

SCAD VISUAL MEDIA — Savannah, GA

Institutional Media Model — Oct. 2025 – Present

- Translated creative briefs on set alongside photographers and creative directors for university promotional campaigns across print and digital media formats.

LEADERSHIP & COMMUNITY INVOLVEMENT

YOUNGLIFE — Savannah, GA

Volunteer Youth Leader & Mentor — Jan. 2026 – Present

- Provide weekly mentorship and leadership for local high school students, fostering community engagement and personal growth.
- Coordinate large-group event logistics (50+ participants) and execute high-energy programming and team-building exercises.
- Supervise residential weekend retreats and summer camp programs, providing 24/7 care, student safety, and emotional guidance.

CAMP TECUMSEH — Pittstown, NJ

Residential Camp Counselor — June 2026 – July 2026

- Delivered 24/7 care, conflict de-escalation, daily schedule coordination, and team-building leadership for residential camp cohorts.
